BOAT STORAGE

We have a boat hauler who will haul and block boats in the parking lot for \$5.00/foot. This is in addition to the Club's winter storage fee. We'll need several boats to haul on the same day to make this work. Please contact Richard Spiewak for more info.

Proposal to Amend the Bylaws

The Board of Directors of Point Judith Yacht Club is proposing on behalf of the members that Article 5 Section 1 of the Bylaws be amended such that, "only one individual of a membership unit may serve on the Board of Directors consecutively". This will preserve the long standing bylaw of the club of one vote per membership unit.

A vote will be taken at the October meeting regarding this matter and members are encouraged to attend and cast their vote. The Board recommends passage of this amendment.

CLUB STEWARD

Hi Everyone,

Thanks for all your help in making this year good and smooth. I look forward to seeing everyone again next summer and thanks to everyone for the generous tips at the "End of the Season Cookout".

Tyler Blanpied, Steward

POINTS

As the season winds down, be sure to check you point total. There's still plenty of time to earn the required 10 points. The club closing is traditionally the first Saturday in November and it's a great time to see many fellow club members for the last time in 2008 and earn points. Watch for a notice with full details on the closing.

At the August Sunday Brunch my wife left her jacket at the club house. It was a women's dress jacket in turquoise, black, white and lime. If anyone picked up this jacket we ask that you please return it to the clubhouse. If anyone has any information regarding this jacket please e-mail me at "garypeigelbeck@aol.com" Thank you very much, Gary.
